Two athletic training rooms are located in the athletic complex at Southwestern – in the Robertson Center and in the Football Field House. Both facilities offer a variety of hot and cold modalities, along with hydrotherapy, electrical stimulation and ultrasound. The office is supported by five athletic trainers led by Associate Athletic Director/ Director of Athletic Training Services, Glenn Schwab.

A Southwestern University athletic trainer will be on-site for all home varsity events. If your team is traveling without a certified athletic trainer, advance notice is appreciated. In addition, all teams whether traveling with or without a certified athletic trainer should bring a fully stocked medical bag with all necessary supplies as well as a letter for all electrical modality use.

Water, ice bags, cups and biohazard supplies will be provided on your bench. Emergency supplies including an AED, crutches, splints, spine board, etc., will also be available should the need arise. A team physician will be on call for all events, and can be reached through one of our staff athletic trainers.

The Southwestern athletic training room will try to accommodate all reasonable requests. If you are in need of any additional supplies or information, or if we can be of service to you in any way, please do not hesitate to contact a staff member.
